2. APPOINTMENT AND PROVISION OF SERVICES

2.1. From time to time, the Artist and the Company may enter into Project Outlines setting out commercial terms relating to the provision of Services. Project Outlines, once agreed by the parties in writing, shall be governed by these Terms and Conditions. Where the Artist sends out a Project Outline and the parties start working on the Services, such Project Outline shall be deemed to have been agreed by the parties.

Artist’s obligations

- 2.2. The Artist agrees to:
- (a) reasonably co-operate with the Company (and any third parties participating in the creation of the Materials) in relation to the Services;
 - (b) provide the Services to the best of the Artist's ability, using reasonable care and skill;
 - (c) comply with any timing deadlines agreed for the Services set out in the Project Outlines or as otherwise agreed in writing, in so far as the Artist is not prevented from doing so by reasons outside of their control or as a result of any act or omission of the Company; and
 - (d) provide the Materials materially in accordance with the Specification (if relevant).
- 2.3. The Artist must advise the Company promptly in writing on becoming aware:
- (a) that the Artist may be unable to perform the Services in accordance with this Agreement; or
 - (b) of any development that may have a material impact on the Artist's ability to perform the Services in accordance with this Agreement.
- 2.4. Where the Location is the Artist's own studio, the Artist shall ensure that such studio is suitably equipped to provide the Materials materially in accordance with the Specification.
- 2.5. The Artist agrees to comply with all reasonable rules of the Location and other locations at which the Artist provides the Services provided that such rules are reasonable and proportionate and have been notified to the Artist in advance.
- 2.6. Where the Company records the Artist at the Company's provided studio, the Company shall submit to the Artist the draft Materials for approval prior to distribution, broadcast or publication. The Artist shall endeavour to give their approval on a timely basis, and shall not be entitled to unreasonably withhold approval. In the event that the Artist has not responded to a request for approval, the Company shall not be entitled to deem the approval has been given.

Company's obligations

- 2.7. The Company agrees to:
- (a) provide any materials reasonably requested by the Artist to perform the Services in a professional and timely manner including any scripts required to perform the Services;
 - (b) ensure that the Location (in so far as the Location is not the Artist's own studio) is:
 - (i) suitably equipped to enable the Artist to provide the Services; and
 - (ii) available at the time set out in the Project Outlines;
 - (c) comply with and ensure that the Materials comply with all Applicable Laws; and
 - (d) obtain such insurance as is reasonably necessary in respect of the provision of Services at the Location.

3. PENCILLING IN

- 3.1. Where the Company tentatively books the Artist for a particular date(s) ("**Pencilled In Date**"), the Company agrees to use its best endeavours to remove the Pencilled In Date as soon as possible either by confirming such date in writing or by confirming that the Artist is no longer required for such Pencilled In Date.
- 3.2. If the Artist receives another request for their services on the Pencilled In Date, the Artist shall inform the Company that it has received another request and ask the Company to either confirm the Pencilled In Date is going ahead, or to remove the Pencilled In Date if the Company no longer requires the Artist's services on that date. If the Artist does not receive

a response confirming the Pencilled In Date or removing the Pencilled In Date within the timeframe notified by the Artist (or if no such timeframe is notified, within 1 week), the Artist shall be entitled to treat the Pencilled In Date as unconfirmed and may accept alternative bookings that conflict with the Pencilled In Date.

- 3.3. If the Company has not confirmed or removed the Pencilled In Date within 24 hours of the Job date, the Artist may treat the entire booking as confirmed, and the Company shall be liable for the BSF set out in the Project Outline.

4. ASSERTION AND LICENCE OF RIGHTS

- 4.1. The Company and/or the End User shall be entitled (but not obliged) to make use of the Materials within the Permitted Usage. In the event that the Company and/or End User wishes to make use of the Materials it shall notify the Artist in advance of the First Usage Date.
- 4.2. In consideration of payment of the Usage Fee (and provided that all instalments of the Usage Fee have been paid up to date), the Artist hereby grants to the Company (and to the End Client where applicable) a licence to use the Materials and the Intellectual Property Rights in the Materials provided that such use is strictly in accordance with the Permitted Usage. For the avoidance of doubt, no rights or licence are implied in relation to usage outside of the Permitted Usage and any such additional usage shall require the Artist's prior written agreement and payment of further usage fees to be agreed with the Artist.
- 4.3. The Artist shall remain the owner of all right, title and interest in and to the Intellectual Property Rights in the Materials and in any goodwill which accrues in respect of such Intellectual Property Rights.
- 4.4. Should any right, title or interest in such licensed Intellectual Property Rights or any goodwill arising out of the use of such rights become vested in the Company or End Client (by the operation of law or otherwise), the Company shall hold and will procure that the End Client holds the same in trust for the Artist and shall, at the request of the Artist, immediately and unconditionally assign (with full title guarantee) free of charge any such right, title, interest or goodwill to it for the full duration of such rights and execute any documents and do all acts required for the purpose of confirming such assignment.
- 4.5. The Artist waives any moral right it has to be identified as performer in the Materials pursuant to section 205C of the CPDA, and to any other moral right to be identified as such or any equivalent right to which the Artist may be entitled under any legislation now existing or in future enacted in any part of the world. For the avoidance of doubt, the Artist does not waive any moral right it has to object to derogatory treatment of its performance in the Materials pursuant to section 205F of the CPDA, or to any other moral right to object to such treatment or equivalent right to which the Artist may be entitled under any legislation now existing or in future enacted in any part of the world.
- 4.6. The Company acknowledges and agrees, and where relevant will procure that the End Client acknowledges and agrees that:
 - (a) the Artist asserts any right it has to equitable remuneration under section 182D CDPA and to any equivalent rights to which the Artist may be entitled under any legislation now existing or future enacted in any part of the world;
 - (b) the Artist is entitled to appropriate and proportionate remuneration for the licencing of its rights under clause 4.1;
 - (c) in the event that it becomes reasonably apparent that the Usage Fee is disproportionately low, inequitable, inappropriate or unfair when compared to all the subsequent revenues derived from the exploitation of the Materials, the Artist is entitled to apply in accordance with Applicable Law for review and appropriate

redress from the Copyright Tribunal or similar body with jurisdiction to assess such matters under Applicable Law.

5. FEES

- 5.1. The Company shall pay the Fees in accordance with the Payment Terms. The Company shall reimburse all Expenses incurred by the Artist in connection with the Services (provided that such Expenses have been approved by the Company in advance).
- 5.2. Once the Company has paid the BSF and/or Usage Fees, such Fees shall be non-refundable.
- 5.3. All sums payable under this Agreement are exclusive of value added tax, which (if applicable) shall be payable by the Company.
- 5.4. The Artist shall be responsible for making all deductions from payments and fees received and for performing all acts and making all payments necessary under any applicable legislation in force in the Territory including any Income Tax, National Insurance and Social Security contributions.
- 5.5. In the event of late payment of any Fees arising in connection with this Agreement, the Artist shall be entitled to charge interest on any overdue invoices at the statutory rate set out in the Late Payment of Commercial Debts (Interest) Act 1998.
- 5.6. If the Company fails to pay any Fee due under the Agreement within 14 days of receipt of written notice from the Artist that such Fees remain outstanding, the Artist may, at their sole discretion and without prejudice to any other remedies under this Agreement, upon written notice to the Company revoke the licences and consents granted under clause 4 until such overdue sums are paid. For the avoidance of doubt, if the Company and/or the End User continues to use the Materials in such circumstances it will be doing so in infringement of the Artist's Intellectual Property Rights and Performers' Non-Property Rights. Nothing in this clause 5.6 affects the Artist's right to terminate the Agreement under clause 8.1(a) or 8.1(b).

6. WARRANTIES

Laws including any necessary disclaimers, legal lines or other edits necessary to comply with Applicable Laws .

- 6.3. - 7.5. At any time upon either party's request, the other party shall promptly return all information and materials which include any Confidential Information and all copies thereof, that the relevant party may have in its possession or control.
